President's Report - Scott

It is next to impossible to thank all of the many people who volunteer to make Fountain Park happen, so a huge thank you to everyone who has worked so hard this year. Some projects that were completed: 20 Amp outlets in the campground; Hotel balcony scraped and repainted; 47 trees were planted in November, old dead trees were removed and stumps ground; tabernacle windows were replaced in the dressing room area; and a new door installed. These were all re-painted.
